## Avalon-Sepulveda Park To Hold Baby Show

The third annual Baby Show is to be held at Avalon-Sepulveda Park on June 10 at 10 a.m. The show is for babies who have not reached their third birthday by June 10. It is open to every baby.

Divisions  
There are to be several divisions: the baby with the longest eyelashes, the largest eyes, the darkest eyes, the reddest hair, the most freckles, the deepest dimples, the

most like twins and the most unlike twins, the most teeth for a baby under a year old, the fastest creeper (that's fun), and finally the Queen and the King, according to Mrs. Dorothy Kemper, park recreation director.

All entrants will be given a can of baby food. The winners will get ribbons and a prize. The Carlton Studio of Wilmington is giving an 8x10 portrait to the Queen and the King. A special award ribbon will be given to the youngest baby and to the baby coming from the farthest distance.

Babies may be entered now either by phone, TErminal 4-5878 or at the Avalon-Sepulveda Park, 23410 Catskill ave. This is an activity sponsored by the Los Angeles County Department of Parks and Recreation.

The judges are all well qualified, being indulgent grandmothers as well as keen observers. They are Mrs. Dorothy Roberts, publisher; Mrs. Alex Wyszocki, wife of the president of Carson Chamber of Commerce and Mrs. Geneva Honor, clubwoman.

Man (to psychiatrist): "My wife has developed an inferiority complex. What can I do to keep her that way?"

## YWCA Needs Camp Equipment; Check Garages

If you are doing your spring cleaning and wondering what to do with the assortment of articles you aren't using any more, but that are still in good condition, check the YWCA camp needs list then call your local YW. Mrs. Muriel Blackstone, press chairman, announced.

In an effort to reduce the cash expenditure necessary to get camp ready to open June 29, the YWCA is hoping some of the items are being stored in garages or basements and that community minded citizens will feel that this is an opportunity to help the camp by donating needed items.

Long List  
The list is long and varied. It includes strong chairs, benches, book cases, books, records as well as magazines such as Life, Atlantic Monthly, Harpers, and Vogue.

The shower room needs 12 curtains of plain white duck. The superintendent's cabin is in need of a gas stove with a heat control oven. Gas heaters, gas water heaters are also in demand.

An electric fan for the kitchen is almost a necessity as well as a restaurant size meat slicer.

As the camp is being renovated, plywood will be useful to replace beaverboard walls in some cabins. All kinds of pipe and plumbing supplies will be welcomed.

Brownie or box cameras for campers use along with other photographic supplies and equipment such as a paper cutter, printer, and timer will help with the new interest groups in photography. All kinds of craft tools and athletic equipment can be used by the girls.

Anyone having anything to contribute may call the local YWCA.
